

### **REMARKS**

Currently claims 1-21 are pending in the application. Claims 1-6, 8-14, 16, 17 and 19-21 have been rejected and claims 7, 15 and 18 have been objected to. Claims 5 and 7 have been cancelled.

By this amendment, the specification has been amended to reflect the updated status of the co-pending applications.

By this amendment, typographical errors have been corrected.

By this amendment, the informalities noted by the Examiner have been corrected. Claim 1 has been amended to include the subject matter of claims 5 and 7. New claim 22 has been added to include the subject matter of previous claims 1, 3, and 15. New claim 23 has been added to include the subject matter of claims 1, 14, 16 and 18.

Since the Examiner has previously indicated that amended claim 1 and new claims 22 and 23 contain allowable subject matter, these claims should be in condition for allowance. The remaining claims depend on claim 1 and should also be allowed.

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

In view of the foregoing, it is believed none of the references, taken singly or in combination, disclose the claimed invention. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)
